SCKF Fall Shinsa	October 20	Holiday Party	December 13

### COMMUNITY CENTER RESPONSIBILITIES

Please remember that we are all members of this non-profit Southeast Japanese School Community Center. We share this great facility with others and should be respectful of the center and its members. We are responsible for taking care of the equipment and cleaning up after ourselves at the center, including in the gym, kitchen, restrooms, and taking out the trash.

As part of the community center, it is also important to participate in community center events and fundraisers. See above for SEJSCC volunteer events.

### PAYMENTS

Monthly Payments are due the first week of practice of each month. Invoices will be handed out quarterly. Checks should be made out to "**Southeast Japanese School**" with "**Kendo**" in the memo line. Payments can be given to Brian Yoon and Linda Fu.

Fees for tournaments, seminars, and exams will need to be paid to the dojo prior to the day of the event.

### ATTENDANCE

Regular attendance is important for continued improvement in one's kendo. Should an extended absence (i.e. one month or more) be required, please email [norwalk.kendo.acctg@gmail.com](mailto:norwalk.kendo.acctg@gmail.com) to put your membership on hold and avoid being billed for the month(s) missed. Starting in 2019, if the accounting team is not notified prior to the absence, there will not be any reversals in billing made for months missed.

Lower ranking kenshi should arrive at least 15min before class to sweep the floors and set up practice equipment.

### COMMUNICATION

We send out communications via email and Facebook. Please make sure email accounts stay current with the dojo. To contact the dojo via email: [norwalkkendo@gmail.com](mailto:norwalkkendo@gmail.com). To be added to the Facebook group, please look up "Norwalk Kendo Dojo" and request to join the group. Also, please feel free to speak to Brian Yoon or Linda Fu about questions or concerns.
